Re: 3:10-cv-04814-FLW-DEA PURPURA et al v. SEBELIUS et al

Clerk of the Court,

On Friday, 08/October/2010, Nicholas E. Purpora and I received the notice of the transfer of the legal action we are involved with as plaintiffs against the defendants Kathleen Sebelius, Timothy F. Geithner, Hilda A. Solis and the United States government agencies that they currently are in charge of. The page identified as

Case 3:10-cv-04814-FLW-DEA Document 6 Filed 10/07/10 Page 1 of 1 PageID:85

is incorrect as it shows this action, or it at least implies, that the legal action in question is between Nicholas E. Purpora and myself. This is incorrect. I have attached three (3) pages with this notification of the error. The attachments are the two pages of the notification of the change in the Judge assigned to the legal action and a page from the earlier notifications from the Clerk's office on the filing of the suit in the Court on 20/September/2010. We respectfully request the information be corrected in order to insure this legal action goes forward properly through our courts and the Clerk's office is not embarrassed by this inadvertent mistake.

I would also like to note that while the "Docket Text" meaning of the order is understandable the printing system appears to be overwriting the various sentences that make up the "Docket Text". This could lead to potential embarrassment for the Clerk's office, in my humble opinion, as people outside of the Court system may try to use such simple printing problems to attack the Court's credibility and the Clerk's office in particular in order "to score points" against the Court. Or to simply embarrass the Court and the Clerk's office. It is something the Clerk's Office may want to try and have corrected at some point in time.

Sincerely,

Donald R Laster Jr. for myself and Nicholas E. Purpora
