Re; PURPURA et al v Sebelius 3:10-cv-04814-GEB-DEA

Dear Mr. Fishman,

Per Mr. Ethan P Davis instructions we hereby are serving a hard copy of the original Petition. Though Mr. Davis assured me that the case was accepted and will proceed, he requested you be again be served, though you were served electronically. Clearly, you were informed on the same day the Court was served, and thereafter listed yourself as one of the attorneys representing the Defendants. If there's anything else you feel is necessary, so we can adjudicate the matter without any unnecessary protracted delays, we are at your disposal.

Respectfully,

Nicholas E. Purpura, *pro se*

Donald R. Laster, *pro se*
