

Certificate of Virus and Malware Scanning

The files on the enclosed CD have been scanned for viruses, malware and trojan software. The files have been scanned with the virus scanner and system protector software Sybot Search & Destroy version 1.6.2.0 and System Setting protector version 1.6.6.32.

The files that on the CD comprise the 2 Book Appendix

SC-Appendix-Book-1-A001-A200.pdf
SC-Appendix-Book-1-A201-A354.pdf

SC-Appendix-Book-2-A355-A514.pdf
SC-Appendix-Book-2-A515-A682.pdf

and this certification file

Certificate_of_Virus_and_Malware_Scanning.pdf

Each of the Appendix books had to be divided into two pieces each in order to scan the all of pages in.
